

CradlePoint Router Wireless Connection

Items Needed

- CradlePoint Router
- Computer/Tablet

Setup

1. Open the network connections icon at the bottom right of the taskbar. Refer to Figure 1.

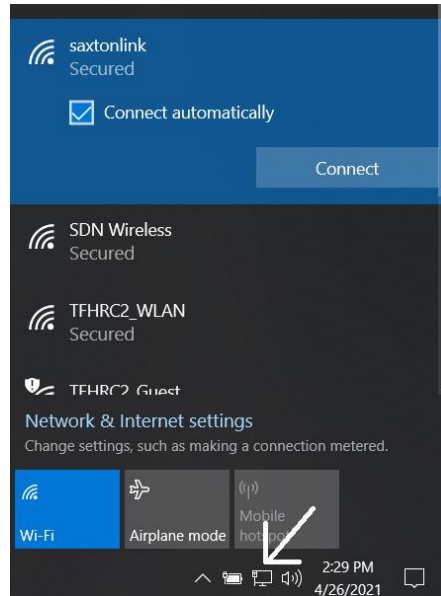

Figure 1. Open Network Connections

2. Select the router's Wi-Fi SSID and enter the password. It may be one of the following two routers:
 - a. IBR600C-ca2
 - i. WA202500327110
 - b. IBR600C-f30
 - i. WA202500327328
3. The computer should now be within the CAVe-in-a-Box network.
